1. Glider Workshop at 343 Stalinallee, Berlin:

- a. Men work here in separate groups. In the course of a month, a total of about 1,500 men are engaged in the production of gliders.
- b. At the present time, 15 "Baby" type gliders and 11 "SG-38" type glider engines are under construction.

2. Flying in the "Sport und Technik" Society:

- a. the government has informed the Society that there will be large scale flying in East Germany in 1956.
- b. At present there is no flying, as glider training has not made sufficient progress to justify training with powered aircraft.
- c. Instructions have been given to the "Sport und Technik" Society that glider training must be developed to such an extent that training with powered aircraft can be undertaken in 1956.
